Hi, I'm Abi & Thank you so much for considering us for your Event Music.
Here's a little more about myself and my partner Jayden

ABOUT US

Abi has been performing professionally since 2019 and has become one of Cairns' most sought-after live music and event vocalists. Holding a Certificate III in Music Performance and a Certificate III in Live Production, she is also a contemporary pop singer-songwriter. With years of training and live performance experience, Abi has developed a warm, versatile and expressive vocal style, described as "a tropical breeze in the music world - refreshing, soothing & utterly enjoyable to listen to."

In addition to her career as a professional vocalist, Abi has performed alongside her partner, Jayden, at more than 120 live music events as an acoustic duo. Jayden's accomplished guitar playing beautifully complements Abi's vocals, and together their natural, genuine chemistry and shared love of music create performances that are relaxed, authentic and heartfelt.
