Hi, I'm Abi & Thank you so much for considering us for your Wedding Music.
Here's a little more about myslef and my partner Jayden

ABOUT US

Abi has been performing professionally since 2019 and has become one of Cairns' most sought-after live music and event vocalists. Holding a Certificate III in Music Performance and a Certificate III in Live Production, she is also a contemporary pop singer-songwriter. With years of training and live performance experience, Abi has developed a warm, versatile and expressive vocal style described as "a tropical breeze in the music world - refreshing, soothing & utterly enjoyable to listen to."

In addition to her career as a professional vocalist, Abi has performed alongside her partner, Jayden, at more than 150 live music events as an acoustic duo. Jayden's accomplished guitar playing beautifully complements Abi's vocals, and together their natural, genuine chemistry and shared love of music create performances that are relaxed, authentic and heartfelt.

Their warmth and professionalism, makes the planning process just as enjoyable as the performance itself. As every wedding is unique, Abi and Jayden take the time to tailor their music to reflect your story and complement the atmosphere you envision. From the anticipation before you walk down the aisle to the celebrations that follow, their performances create a warm and memorable ambience while ensuring the focus remains on the moments that matter most. With a diverse repertoire of modern favourites, timeless classics and acoustic love songs, they provide the perfect soundtrack for ceremonies, cocktail hours and receptions, bringing warmth, elegance and lasting memories to every celebration.

"*Abi sang out our wedding and she was absolutely perfect! She is the sweetest person with an amazing voice. Everyone at the wedding loved her! Highly recomended*"
